We have a great group of volunteers in the Friends of Saint Patrick's and without them none of these events would have been possible. I would like to take this opportunity to thank each and every one of them for their continued support.

Although we have had a very successful year we would really like next year to be even better, but in order to achieve this we need more volunteers. We appreciate everyone's time is precious but we welcome whatever time or skill you can provide to help support our group. If you would like to get involved or find out more information please don't hesitate to get in touch with myself or contact the school office.

We are always keen to explore new fundraising ideas and ideas on how the money raised could be spent so even if you don't want to join the group but would like to share your ideas please do get in touch, it would be very much appreciated.

As we come to the end of each academic year it's always sad to say goodbye to our Year 6 students and this year is no different, but the Friend of Saint Patrick's would like to thank you all for your help during our events this year and we wish each and every one of you all the very best for the future and please come back and visit.

Well that just leaves on thing, I hope you all have a fantastic summer break and we look forward to your continued support throughout our next academic year.

Kind regards

Karen Hodgson
