We follow in Christ's footsteps

Thursday 12th November 2020

Dear Parents and Carers,

Feeding Families Hamper Items Collection

This year, we are supporting a North East charity Feeding Families, which is based in Bishop Auckland but supports families in need across the area. The charity is collecting food and hygiene products to make Christmas hampers for delivery just before Christmas. They are working towards providing five thousand hampers this year and are asking for donations of food and hygiene products to support their aim.

We have shared a list of items requested by Feeding Families below and on our website. We ask that you please support by donating any items you can spare.

Starting on Monday 16th November, we will have collection boxes in the main corridor at school and Reception Class entrance. Please send as little or as much as you can into school with your child. They will be able to put items straight into these boxes on their way to class then sanitise their hands as usual to start their school day.

Donations will then be collected from school, by the charity, during the week beginning 30th November. It would be helpful if all donations were in school by Friday 27th November.

We understand we are living in challenging times but your support will be greatly appreciated.

Miss Clish
R.E. Co-ordinator

Mrs J. Burgess
