Purple Mash Online Accounts

Dear Parents/Carers

Thank you to all of those parents who have already managed to log on to Purple Mash and record in your child's online reading journal. This is our way of keeping a record of the children's reading, taking over from the paper planners that we used to have.

Children will receive new reading books on a Tuesday. On this day, we hear each child read some of their new book before sending it home to be continued with you. We will place a comment on Purple Mash and you will then receive an alert.

We ask that you then hear your child read at least twice before Friday when we will collect the books back in. We would like you to add a comment on Purple Mash each time you read with your child. We will check these comments and respond if necessary on the Tuesday before changing books.

Please let us know if you are having any issues with this.

The children are doing fantastically well with their phonics at the moment and are working extremely hard on blending the sounds to begin reading. This stage takes a great deal of practise and so regular reading at home and at school is vital to their continued development.

Thank you for your continued support,

Mrs K. Bajrami
