We follow in Christ's footsteps

Friday 12th March 2021

Dear Parents/Carers

Well-being challenge and rewards

We recently set all of our pupils and staff a two-week well-being challenge. The aim of this was to encourage everyone to engage in activities that have a positive effect on body and mind. Staff and children kept a tally and this was recorded for every year group. Every 100 points equalled one class treat. A maximum of five class treats could be earned.

I am delighted to share with you that every class has earned the maximum five treats! A huge well done to our pupils, staff and parents for encouraging and supporting your child to be part of this effort for their whole class.

Each class teacher has spoken with their class to see how they would like to spend their treats. What a fabulous selection they have come up with (shown on page 2). Some activities will be weather dependent. To give you advance notice, the pyjama/non-uniform day will be Tuesday 16th March.

Our pupils and staff certainly have an exciting 2 weeks ahead in the run-up to the Easter holidays. We will be taking lots of photographs and we will share the smiles and adventures with you in a newsletter at the end of term.

It is wonderful having our pupils in school. Whilst most are thrilled to be back, we know some are still a little anxious. This is perfectly understandable given recent disruption. Helping all pupils feel safe, secure and confident with their learning is our priority. We look forward to working hard and, very importantly, having lots of fun along the way!

Have a lovely weekend!

Kind regards

Mrs Gardner
