We follow in Christ's footsteps

Monday 15th March 2021

Dear Parents/Carers

Help us stop the spread of Coronavirus

We respectfully ask that all adults dropping off or collecting pupils wear a face covering, unless medically exempt, to reflect government guidelines and our own risk assessments. This is necessary whether you are inside school grounds or at/around the school gates. If you are medically exempt, it would be helpful if you could please contact the office to make school aware. At the end of the school day, if you are collecting your child, please enter the yard via the side-gate and wait in the yard, in a socially distanced manner. Please do not call for your child from outside the yard. Please exit via the bottom gate so we can keep things moving in a one-way system. We also ask that you leave the school site immediately and do not congregate around the school gates, either inside school grounds or directly outside.

Parking

Unfortunately, since wider re-opening, we have already had phone-calls from school neighbours highlighting their frustration regarding blocked access to drives/garages and that grassed areas are being churned due to parking. Please park courteously at all times.

I appreciate we are all trying to get back into our routines. That said, it is important that we follow rules to keep everyone safe.

Thank you, in advance, for your on-going co-operation.

Kind regards

Mrs J Burgess

Headteacher
