20<sup>th</sup> April 2021

Dear Parents and Carers,

## **YEAR 6 PRODUCTION**

As the children's final term at St. Patrick's gets underway, we are considering ways to make this time memorable. Usually, Y6 children would present a performance and, although we will have to do this a little differently this year, we still plan to give the children their opportunity to shine on the stage (or screen as the case will be this year!)

As we still do not know the future situation with regard to restrictions around gatherings and live audiences, we have decided that the safest, and most sensible, option for our performance is to film the production and create a DVD, which we will make available to families.

The children are all very excited and preparations are well underway. Children have been informed about their costume requirements and all tell me that they have relayed this information to parents! If anyone has any questions or difficulties with this, please contact school. Costumes will need to be brought to school at some point next half-term. I will be in touch with specific dates once we finalise the filming schedule.

Children will also be provided with a show T-shirt as part of their costumes. We would very much appreciate a donation of £4.00 per child (payable through ParentPay) towards the cost of this. We are sure this will be a lovely keepsake of this memorable final year at primary school.

The production promises to be a real hit. I can't wait to see the finished result!

Many thanks, as always, for your support.

Miss E Parry
