Thursday 10th June 2021

Dear Parents/Carers

Activity Days

I hope you all had a lovely half-term break. Wow! We are speeding towards the end of this academic year.

As we are still operating under restrictions, we are unable to plan our usual summer trips and whole school celebrations, such as sports day.

We want to ensure, however, that our pupils have an action-packed run up to the summer holidays and, as such, we have planned a range of exciting events for the final half-term.

Date	Event
Week beginning 14 th June Including: 14/6/21	Sports Week Mad Education - a 'military' style activity day where each year group will get the chance to participate in team games involving problem-solving challenges with a focus on discipline, respect, courage and kindness.
15/6/21	Hoopstarz – a fantastic cardio workout where every child can take part, regardless of age or ability with ideas for activities to get the whole family to give it a go!
16/6/21	Team games in year groups
17/6/21	Athletics events in year groups
18/6/21	Intra Cricket Competition led by coach Phil Mellons <i>Children will be allowed to wear school PE kit every day this week as there will be a focus on extra physical activity.</i> <i>Please ensure that this reflects school expectations – yellow PE top and green shorts/plain dark jogging bottoms.</i>
Week beginning 21 st June	Science week – pupils will have the opportunity to have 'virtual' meetings in classrooms with scientists linked to Durham university to explore different aspects of areas – our pupils will have the chance to ask questions.
Week beginning 28 th June	Art week

All activities will be accompanied by the relevant risk assessments and school staff will be on hand to support and supervise pupils alongside visiting instructors.

We hope this lovely weather continues so please ensure your child brings a cap and water bottled (labelled) and has sufficient sun cream applied.

Can't wait!

We will keep in touch to share more information about up and coming events.

Kind regards

Mrs Burgess
