Dear Parents/Carers

Class transition - Meet the new teacher event

As part of our transition process, we would like to give you an opportunity to 'Meet the New Teacher' Y1 – Y6. This transition event will take place remotely on Wednesday 7th July via Teams.

Good communication and support from home is vital to ensure each child realises his/her full potential. During the on-line session teachers will share information about life in your child's new class. You will also be provided with some insights into the ways in which you can help your child over the summer, in readiness for September.

The first session will take place at 3.40pm until approximately 4pm. The session will then be repeated at 4.10pm until approximately 4.30pm. Please see below the options for the meetings with your child's new teacher.

You can choose your preferred time slot from the list below by following the links given.
