We follow in Christ's footsteps

6th Sept 2022

Dear Parents and Carers,

GO READ DIGITAL READING RECORD

As you know, following a successful trial and positive parental feedback, we will be introducing a new digital reading record this year.

About Go Read / Boom Reader

Go Read (also called Boom Reader) is a digital reading record that also allows parents to record reading on any device connected to the internet, removing the issue of lost or damaged planners and promoting an environmentally friendly approach.

To get started with Go Read, simply search for 'Go Read Parent' or 'Boom Reader Parent' in your app store and download the free app. Sign up using your own email address and, when prompted, enter your child's unique pin code. (Children will be sent home with this during this week). The app will remember this code and you will then be ready to record your child's reading.

You can download the app and link to your child on as many devices as you like. Additional adults can also use the pin code to link to your child's account, so other adults such as grandparents can easily record reading without having to pass around dog-eared paper records.

Older children can also access the pupil version of their account using the website (not an app). This allows them to record their own reading. We would still ask, however, that an adult records at least once per week. **We ask that families begin to use this app from next week (12th Sept.)**

Full instructions and a short video are available on the Go Read website here.

<https://go-read.co.uk/parents/>

Spellings will be recorded in a separate spelling book.

If you have any questions, or require any further help, please do not hesitate to contact me.

Many thanks for your support with this exciting new initiative,

Miss E Parry
English Lead
